

BIG Mover

Stuff for the professionals

Loading platform with about 200 wheels

I am going by road, okay ?

Three storey living quarters

Round the bend slowly, note the front & rear section wheels steer in opposite way.

Marine diesel (about 75 MW or 100,000 hp) for container ship or oil tanker

Going to Museum Sinsheim (Germany)

Tricky corner

We need to move this, mate

These things don't come very often.
But when it comes, it's is really a *B/G* deal !
