

I think this is hilarious! I
NEVER HEARD
CREATION EXPLAINED
THIS WAY BEFORE !!!

In the beginning, God created the Heavens and the Earth and populated the Earth with broccoli, cauliflower and spinach, green and yellow and red vegetables of all kinds, so Man and Woman would live long and healthy lives.

Then using God's great gifts,
Satan created Ben and Jerry's
Ice Cream and Krispy Creme
Donuts. And Satan said, "You
want chocolate with that?"
And Man said, "Yes!" and
Woman said, "and as long as
you're at it, add some
sprinkles." And they gained
10 pounds. And Satan smiled.

And God created the
healthful yogurt that
Woman might keep the
figure that Man found so
fair. And Satan brought
forth white flour from the
wheat, and sugar from the
cane and combined them.
And Woman went from
size 6 to size 14.

So God said, "Try my fresh green salad." And Satan presented Thousand-Island Dressing, buttery croutons and garlic toast on the side.

And Man and Woman unfastened their belts following the repast.

God then said, "I have sent you heart healthy vegetables and olive oil in which to cook them." And Satan brought forth deep fried fish and chicken-fried steak so big it needed its own platter. And Man gained more weight and his cholesterol went through the roof. God then created a light, fluffy white cake, named it "Angel Food Cake," and said, "It is good." Satan then created chocolate cake and named it "Devil's Food Cake."

God then brought forth running shoes so that His children might lose those extra pounds. And Satan gave cable TV with a remote control so Man would not have to toil changing the channels. And Man and Woman laughed and cried before the flickering blue light and gained pounds.

Then God brought forth the potato,
naturally low in fat and brimming
with nutrition. And Satan peeled off
the healthful skin and sliced the
starchy center into chips and deep-
fried them. And Man gained pounds.

God then gave lean beef so that Man might consume fewer calories and still satisfy his appetite. And Satan created McDonald's and its 99-cent double cheeseburger. Then said, "You want fries with that?" And Man replied, "Yes! And super size them!" And Satan said, "It is good." And Man went into cardiac arrest.

God sighed and created
quadruple bypass surgery.

Then Satan created Cuts to the
Health Care System.

Amen

If you don't send this to five old
friends right away there will be
five fewer people laughing in the
world
